

**ROAD CLOSURE –South 6th Street at the Railroad Crossing**

**SOUTH 6<sup>TH</sup> STREET WILL BE CLOSED DURING THE WEEK OF  
MONDAY, AUGUST 27, THROUGH FRIDAY, AUGUST 31.**

On Monday, 8/27, City crews will remove the existing rough asphalt pavement at the railroad crossing and then the Genesee & Wyoming Railroad (GWRR) will complete repairs to the ballast, rail ties, as well as install new EPFlex “rail seals.” National Construction is scheduled to re-pave the crossing and, together with the City, re-open South 6<sup>th</sup> Street on Friday, August 31, 2018.

The finished crossing will be greatly improved with a smooth drive surface.

While this closure will cause an inconvenience to drivers, the repairs were scheduled to avoid conflicts with school deliveries in September as much as possible.

**Please drive patiently and safely through all work zones!**

Call Engineering at 541-942-3340 with any concerns or questions.

## **Sanitary Sewer Repairs -2018**

The City has hired H&J Construction to complete repairs to four sanitary sewer mains; project duration is from August through October.

The project schedule for the week of Monday, 8/27, through Friday, 8/31, includes construction work at **7<sup>th</sup> & Adams** and **S 1<sup>st</sup> Street**.

- H&J Construction will reconstruct three existing manholes, as well as complete **pipe-bursting of approximately 460 linear feet of existing sanitary sewer pipes**.

For helpful information on pipe bursting please see the following article:
